Prerequisites: Successful completion of the 72 hour Permaculture Design Course

Requirements to complete:

The candidate:

has been continually a member of the permaculture association at least 2 years (and is still a member of the association when asking for a diploma)

filled an application form for the diploma holders and sent it to the Council of the association, stating the name of the Tutors and with a draft or proposal for the Design

after a minimum of 2 years of practical experience, must present one complex Design, which includes many well documented sub Designs

is invited to make at least one short presentation (25') of the Design and evaluate the feedbacks, during one of the 2 national meetings that the Academy holds during the year, before proceeding to the Diploma

the Diploma accreditation takes place in a national meeting after formal approval of the tutors, in a 45' session in which the candidate must show evidences of the work that has been done during the years of Permaculture apprenticeship

The candidate's work is evaluated by a Commission (nominated by the assembly during the meeting), which will analyze all the requisites (designs, documentation, implementation of permaculture in life/design, symmetry)

Process details:

1 Documented Design

Mentor who document meetings

Design Tutor (must be Diploma Holder and active member of the Academy)

1 Pathway Tutor (must be Diploma Holder and active member of the Academy)

2 Tutorials

2 Years Minimum, from the formal approval of the candidate pathway from the Tutors and the Academy

Cost: €30 Annual Membership for the Academy
